OCTOBER 2025 BULLETIN

Hello ladies and welcome to the 3rd last month of 2025 and my first Bulletin as President. I certainly have some very large shoes to fill and hope that I can do that successfully. I look forward to working with our Committee and I am certain the year ahead will be a very successful one for our Club.

My first Bulletin is just a brief one that is being sent out by Jen Cary. I really appreciate her help until I am settled into my new role.

I am sure there are a lot of very happy Queenslanders amongst us after Brisbane's amazing results over the last couple of weekends!

I look forward to seeing you all in the your Pink to honor breast Cancer Awareness Month at lunch on Tuesday 21st. There will be some Breast Cancer merchandise available on the day for a gold coin donation.
